Attention: Mr. Rick Howe President

Gentlemen:

The Commissioner of Environmental Protection herein grants registration for the sewage system additive(s) listed above. This registration is granted pursuant to section 22a-462-3 of the Regulations of Connecticut State Agencies. (RCSA) The products registered must bear the following label as prescribed by section 22a-462-3 R.C.S.A.

"This sewage system additive is registered with the Connecticut Commissioner of Environmental Protection. The manufacturer's analysis states that this product contains no toxic pollutants. The Commissioner in no way certifies the safety or effectiveness of the product."

Any reformulation of your product requires a new application for registration. The Department will be maintaining a program of sampling and analysis of sewage system additives for toxic pollutants. You are reminded that sale of an additive containing toxic pollutants is a criminal offense so caution is urged in any reformulation of these products.

Sincerely,

Robert E. Moore  
Assistant Deputy Commissioner  
Environmental Quality
